SWISSPORT EXECUTIVE AVIATION GENEVA RENEWS IS-BAH CERTIFICATION

Swissport Executive Aviation in Geneva has recently received the IS-BAH certification, a status consistently held since 2017, resulting in a new two-year certification period. This accreditation underscores Executive Aviation as a certified service provider known for unwavering reliability and top-notch quality.

The IS-BAH (stage 2) label renewal emphasizes the dedicated commitment of Swissport Executive Aviation's Geneva teams to top safety standards, improved operational procedures, and continued handling excellence. Attaining IS-BAH certification boosts customer confidence, enhances risk management, and ensures regulatory compliance. This renewed certification reaffirms our operational quality, reliability, and ongoing service excellence.

"The significance of IS-BAH certification goes beyond being a mere label. It stands as a testament to our unwavering commitment to safety, quality, and operational prowess. This reinforces the trust our clients place in us and solidifies our position as the preferred partner in the realm of business aviation," says Aldo Salzillo, Operations Manager of Swissport Executive Geneva.

Swissport Executive Aviation provides premium airport ground services catering to VIP passengers, crew and private jets across 81 airports worldwide. Our extensive network seamlessly links customers to 81 destinations in 23 countries on 6 continents. Operating from our fixed bases in Ireland, Morocco, New Zealand, Switzerland, Algeria and Cyprus, we offer a full range of ground services and luxury amenities.

In 2022, Swissport International AG provided best-in-class airport ground services for some 186 million airline passengers (2021: 97 million) and handled roughly 4.8 million tons of air freight (2021: 5.1 million) at 117 air cargo centers worldwide. Several of its warehouses have been certified for pharmaceutical logistics by IATA's CEIV Pharma and by the British MHRA. At the end of June 2023, the world's leader in airport ground services and air cargo handling, with currently around 56,000 employees, was active at 294 airports in 44 countries on six continents.
