2022 OPERATING PERFORMANCE

Supported by the strong recovery of global aviation, Swissport can look back on a successful 2022. The group’s cargo segment handled 4.8 million metric tons in 2022, slightly lower compared to the previous year’s all-time high (2021: 5.1 million) but still above 2019 pre-crisis volumes. During the same period, the company’s ground handling business served more than 186 million passengers, almost doubling the number of travelers served from the previous year (2021: 97 million) and handled over 3 million flights (2021: 2.0 million).
