

# SWISSPORT, EXPERT PARTNER FOR HUB AND LARGE BASE OPERATIONS

When airlines decide to focus on their core product, they look for reliable outsourcing partners. For best-in-class ground services, many turn to Swissport, especially for complex hub and large base operations. By leveraging Swissport's economies of scale, airlines can support their growth, and we can grow with them – globally.

"The complexity we manage in our hubs provides us with insights and expertise that make our business more competitive and efficient in and outside major hub airports."

Bruno Stefani – CEO Switzerland, Germany, Austria, Italy & France
