

FRANK DOBBELSTEIJN

Global Head of Operations
Swissport International AG

Frank Dobbelsteijn is a seasoned aviation industry professional who assumed the role of Global Head of Operations at Swissport International AG on January 1, 2024. In this pivotal position, he directly reports to the CEO, leveraging over 30 years of comprehensive experience in the field.

With a rich history of international management roles spanning both Europe and the United States, Frank has consistently demonstrated his leadership prowess. His journey includes a significant stint as the Vice President of Menzies' largest station at London Heathrow Airport, where he played a crucial role in shaping operational excellence.

Frank's leadership background encompasses various senior positions, such as Vice President for the USA West Coast, Vice President for Los Angeles, Start-Up Project Manager in Europe, and General Manager for the low-cost division in Amsterdam. Notably, he has served as a Senior Station Manager at Amazon in Los Angeles, overseeing the company's third-largest U.S. distribution center.

An expert in navigating complex operational landscapes, Frank brings a wealth of knowledge and a track record of success to his role at Swissport. His commitment to excellence and strategic vision positions him as a key player in shaping the future of aviation operations on a global scale.
