## **JENNIFER MAZET APPOINTED STATION MANAGER OF SWISSPORT GENEVA**

Swissport has approved the appointment of Jennifer Mazet as Station Manager of Swissport Geneva. She will take up her position on 7 June 2024.

Jennifer Mazet joins Swissport as Station Manager of Swissport Geneva. The position was previously held by Eva-Maria Kerner until December 2023. In the meantime, Julien Fournier, Operations Manager at Swissport Geneva, is acting as Managing Director ad interim and will return to his role as Operations Manager, ensuring a smooth handover process.

### **Extensive experience in aviation**

Jennifer Mazet holds an International Marketing Master degree from the University of Newcastle (UK) and a Master's degree in Management Sciences from the University of Paris IX-Dauphine (France). In 2001, she joined Air France's marketing department at Paris Charles de Gaulle, where she held various positions as Product Manager. Between 2010 and 2012, she undertook the task of developing the Chinese and Indian markets for the Air France KLM Group. From 2013 to 2018, she served as Country Manager for Bulgaria and Israel. Between 2018 and 2021, she advanced to the role of Air France KLM Sales Director for the South-West France region. Since 2021, she has held the position of Marketing and Intellectual Services Purchasing Manager for Air France in Paris Charles de Gaulle.

"Jennifer Mazet's ability to meet complex challenges and achieve convincing results has been amply demonstrated in her professional career. Swissport Regional Management is delighted to welcome Jennifer to the management of Swissport Geneva. Her experience will be a valuable asset in the management of our Geneva branch in view of the issues and challenges that Swissport Geneva will be facing in the coming years", emphasizes Andreas Keller, Managing Director Swissport Switzerland & France.

In 2023, Swissport Genève handled a total of 50,775 flights and provided services to 6,4 million passengers. In its Cargo unit, Swissport Geneva handled 26,784 tons of freight. Swissport Genève employs around 1,300 people.

In 2023, Swissport International AG provided best-in-class airport ground services for some 232 million airline passengers (2022: 186 million) and handled roughly 4.7 million tons of air freight (2022: 4.8 million) at 115 air cargo centers worldwide. Several of its warehouses have been certified for pharmaceutical logistics by IATA's CEIV Pharma and by the British MHRA. At

Geneva, 8 March 2024

the end of December 2023, the world's leader in airport ground services and air cargo handling, with currently around 60,000 employees, was active at 286 airports in 44 countries on six continents.
