

FRANK MENA

Head of U.S. and Canada
Swissport International AG

Frank Mena was appointed Head of US and Canada in 2019. He reports directly to Warwick Brady, President & CEO of Swissport International AG.

Frank is an experienced executive with a sound operational and commercial background. He has extensive leadership experience in the aviation industry and can rely on an experienced North American team.

Frank spent more than 40 years of his career in the aviation industry. Since joining Swissport in 1991 from Eastern Airlines as General Manager, he has held various leadership positions. Among other roles, he was Head of Latin America, Chief Commercial Officer of the Americas and Chief Operation Officer Ground Handling in the U.S.
