SWISSPORT APPOINTS NADIA KADDOURI AS NEW CHIEF STRATEGY & SUSTAINABILITY OFFICER

Nadia Kaddouri has been appointed Chief Strategy & Sustainability Officer of Swissport International. Within the Group executive leadership team, she will focus on driving the implementation of the corporate strategic roadmap. She will also be responsible for Swissport's ambitions on the ESG front.

Nadia Kaddouri has been appointed to the Group Global management team as Chief Strategy & Sustainability Officer of Swissport International in addition to her position as Chief of Staff to the President and CEO, effective 1 January 2022. In her new role, she will drive Swissport's business strategy with a strong focus on market intelligence, trends, and innovations, and will take over the lead of Swissport's lounge and executive aviation businesses. In addition to the corporate strategy, the responsibility for driving environmental, social, and governance (ESG) topics will be at the core of her agenda. Nadia will also continue to serve as the company's Chief of Staff, leading the CEO Office and supporting Warwick Brady, President & CEO of Swissport International, in managing the growth of the business.

"I am pleased to have Nadia Kaddouri as our new Chief Strategy and Sustainability Officer. She has been instrumental in shaping the fundamental transformation that Swissport has embarked on," says Warwick Brady, President & CEO of Swissport International. "I am convinced that Nadia will be equally successful in leading the implementation of our corporate strategy and sustainability agenda."

Nadia Kaddouri has joined Swissport in 2014 and brings many years of experience in financial leadership roles. Her latest roles included Chief Financial Officer of the EMEA region, where her efforts centered around business development and commercial strategies. She previously worked as Senior Vice President Group FP&A, Senior Integration Manager following the acquisition of Servisair and Group Business Controller. She assumed the role of Chief of Staff to the President and CEO since June 2021. Prior to joining Swissport, Nadia managed the sales process of Servisair and was Regional Controller Eastern Europe at Azelis.

In 2020, Swissport International AG provided best-in-class airport ground services for some 82 million airline passengers (pre-Covid 2019: 265 million) and handled roughly 4.1 million tons of air freight (2019: 4.6 million) at over 100 cargo warehouses worldwide. Several of its warehouses have been certified for pharmaceutical logistics by IATA's CEIV Pharma and by the British MHRA. The world's leader in airport ground services and air cargo handling, with currently around 43,000 employees, was active at 268 airports in 47 countries on six continents at the end of 2021.
