

## **BRUNO STEFANI**

Head of Switzerland, Italy & France  
Swissport International AG

---

Bruno Stefani was appointed Head of Switzerland at Swissport International AG on 1 June 2021. He reports directly to the CEO. In addition to Switzerland, Bruno is also responsible for Swissport's activities in Nice, France, where the company has a strong foothold in the executive aviation market. As of July 2022, Bruno has also been responsible for Swissport in Italy, where the company has taken over hub management at Rome-Fiumicino airport.

Bruno has been with Swissport since 1996. He held various management positions within the Passenger Services division at Swissport Zurich before being appointed CEO of Swissport Losch Munich in 2010. In 2016, he was named CEO and Senior Vice President of Swissport Zurich.

Bruno holds a master's degree from the Eastern Switzerland University of Applied Sciences.
