#### 4. Storage fees

The grace period for import shipment storage includes the day that they are declared to customs and the following calendar day.

Export shipments are free of charge for 48 hours from the point of storage

Special storage is chargeable from one day. - excl. DGR

##### **Calculation of Import storage charges**

For all import cargo not collected within the assigned free period, storage charges will now be calculated on the chargeable weight applicable to each Airwaybill.

This will apply to all cargo types and has been introduced to reflect the volumetric space physically utilised within the Swissport facility, whilst cargo is stored awaiting collection.
