

## **KAREN COX**

Director of Global Operations and  
Safety  
Swissport International AG

---

Karen Cox joined Swissport International AG as Director of Global Operations and Safety on October 4th, 2021, reporting directly to the CEO.

In her position, Karen further strengthens and supports the existing Global Operations team to drive Swissport's transformation program. In addition, she leads the safety agenda across the organization. Karen comes to Swissport from easyJet, where she worked for 18 years and held a variety of senior-level roles including Director of Ground Operations and Customer Management Centres.

Karen has a proven track record in managing safety, controlling costs, and exceeding operational and customer targets. Having managed teams across all major European countries as well as South Africa and India, she also brings excellent people leadership skills.
