

**DR. PETER WALLER**  
Chief Financial Officer  
Swissport International AG

---

Peter Waller, German, has been Chief Financial Officer and member of the Group Executive Management of Swissport International since 1 September 2019.

Peter has joined Swissport from CEVA Logistics, where he served as CFO, oversaw significant performance improvements and managed its Initial Public Offering.

Previously, he was, among other roles, CFO at Eurofins Scientific and spent over eight years with the Thomas Cook Group, where he served as CFO of the online division,

M&A and Investor Relations Director, and as Financial Controller for Condor, the group's German airline. He had started his career at McKinsey & Company.

Peter holds a PhD in Business Administration from the University of Paderborn in Germany and a Master in Management from the University of Mannheim and ESSEC Business School in Paris, France.
