

LUZIUS WIRTH

Executive Vice President Europe, Middle East & Africa and member of Group Executive Management

Luzius Wirth, Swiss, has been appointed Executive Vice President Europe, Middle East and Africa (EMEA) from 1 January 2019. He continues to be a member of Group Executive Management of Swissport International AG.

Luzius has been a member of the Group Executive Management of Swissport since September 2015, first as the Executive Vice President Ground Handling & Group Services and since June 2017 as the Executive Vice President UK & Ireland with the overall responsibility for the development of this core regional market.

He joined Swissport in 2012 and has since taken up various prominent leadership roles within the group, among them Vice President Swissport Formula and later Vice President Corporate Operations & Quality.

Before joining Swissport, Luzius was an Engagement Manager at McKinsey & Company, PricewaterhouseCoopers and IBM.

Luzius Wirth holds a degree in Mechanical Engineering from the Interstate University of Applied Sciences and Technology in Buchs, Switzerland and an MBA from the Richard Ivey School of Business at the University of Western Ontario in London, Ontario, Canada.
