

MARIA GRIGOROVA

Chief Financial Officer
Swissport International AG

Maria Grigorova will join Swissport International AG as Chief Financial Officer on 16 February 2026, reporting into the Company's CEO.

Maria joins Swissport after serving as Group Senior Vice President and Global Head of Finance of Adecco at the Adecco Group— a leading international talent solutions provider listed on the SIX Swiss exchange with operations in 60 countries.

As a member of the executive management team, Maria led a comprehensive transformation of the finance function and supported Adecco's largest business unit, with annual revenues of €18 billion, to regain its number one market leadership position while strengthening cash generation and deleveraging.

Previously, she served as Deputy Group CFO, overseeing controlling and accounting, financial planning and analysis, finance functional transformation, global finance operations, sales and marketing finance, data science, procurement and real estate, working closely with investor relations, treasury and tax teams.

Her career spans top-tier finance positions at JLL, Ideal Standard (part of the Bain Capital portfolio), Newell Rubbermaid and Procter & Gamble.

Maria holds a Bachelor of Science in Consumer Economics from Cornell University and an MBA in Corporate Finance from the University of Rochester.
