

MARINA BOTTELLI
Managing Director Italy
Swissport International AG

Marina Bottelli is Managing Director of Italy at Swissport International AG and is responsible for launching and overseeing Swissport's aviation services in the Italian market. With over 20 years of business development and operations management experience in multinational companies, she has been with Swissport since 2015. Her previous roles at Swissport include Head of Operations and Transformation Continental Europe, Managing Director of Morocco, Head of Operations for the Mediterranean region, and Manager of Airport Operations in Nairobi, Kenya.

Prior to Swissport, Marina was Partner & Director of Crea Africa in Nairobi; Sales, Marketing & Operations Director at Ali Trasporti Aerei at Milan Linate Airport; and Station Manager of Venice, Verona, and Trieste for former Italian national carrier Alitalia. She holds a master's degree in public relations from the Istituto Superiore di Comunicazione Milano and a degree in foreign languages and literature from the Università degli Studi in Pavia, Italy.
