## END-TO-END COOLING SOLUTIONS

1

Pharmaceuticals are on- and offloaded at **specialized cooled truck docks**.

2

**Temperature controlled and dedicated warehousing** ensures sensitive cargo remains within the required temperature range at all times.

3

**Specialized cooling containers** ensure a temperature controlled transport on the apron and during loading.

## DIGITIZATION & INNOVATION

- Swissport's pharma capabilities are standardized and published on the Validaide platform to allow lane risk assessment and supplier qualification.
- Real time and accurate data about pharma shipments, flights, storage capacity and individual ULD's are available to customers in the Cargo Portal.
- Digital tools simplify and improve inspections of pharma shipments and infrastructure.
