Swissport Trucking Terms & Conditions

1. All goods carried on the Swissport Cargo Services Trucking Schedule are subject to Swissport Cargo Services (SCS) terms and conditions of carriage (the Conditions) at all times. In the event of any conflict, either verbal or written, the SCS Conditions shall prevail at all times.

2. The SCS Conditions will be valid from 1 April 2026.

3. SCS Truck arrival & departure times shown within this schedule are transit times from Airport to Airport, and do not guarantee collection or delivery times. On some occasions our Truck services may be routed via other airports or changed for operational reasons.

4. SCS will accept bookings for collection and delivery of goods to be carried on the Service provided that:

(a) All bookings are in writing (or received by EDI or e-mail) within the booking close times shown in this Trucking schedule and specify:

- (i) The full details of all goods as set out on the Airwaybill or manifest accompanying the goods.
- (ii) The actual weight and the volumetric weight of all goods (Any Booking received without the correct weight or volume supplied, may be delayed, subject to available capacity on that service)
- (iii) Clear indication where the goods are:

- Loose or Unitised
- Hazardous or Dangerous with appropriate declarations (No Explosive or Radioactive shipments will be permitted within UK & Ireland).
- Hazardous documentation must be provided at least 24hrs in advance, for both road & sea (Classes 1, 6 & 7 are not permitted to and from Ireland)
- In the case of ULD's, if different in dimension to the standard IATA types, or where goods overhang the ULD (the appropriate charges will be applied to the space taken on our service)
- Shipments with a width exceeding 1.25 metres, length exceeding 3 metres, or height that may present difficulty in loading or unloading, additional surcharges may be applied.
- Requires other special handling, non-stackable, or security facilities, additional charges will be

(iv) The time agreed with SCS for SCS to collect and deliver the goods which are booked on the Service, and the place from which they are to be collected, and the place to which they are to be delivered. All rates include 60 minutes loading or unloading time, and any additional waiting time may be charged at GBP 62.00 or EUR 70.00 per hour, and we do reserve the right to withdraw our vehicle, in the event of any delays.

- (vi) All necessary paperwork to accompany the goods.
- (vii) All documentation required in advance in order to collect goods where this is required
- (b) SCS reserves the right to reject goods in its absolute discretion
- (c) All rates are based on a weight to volume ratio of 1:6, and the volumetric weight will be applied, if applicable. $(\text{Length (cm)} \times \text{width (cm)} \times \text{height (cm)}) / 6000 = \text{equals the volume weight in kilos}$
- (d) All bookings must be received before the close out times specified in the latest Tariff, which is in force at the time of the booking.
- (e) Bookings will be accepted on a first-come-first-served basis, based on the time of written acceptance by SCS. Once the capacity of the Service has been reached, SCS may in its absolute discretion decide to operate additional vehicles.
- (f) Where goods are booked on the Service and they are not available for collection at the time specified in the booking (or within 30 minutes thereafter) SCS shall in its absolute discretion have the right to leave the premises from which the goods are to be collected and the customer may then either
 - (i) deliver the goods which have been booked for collection to the nearest SCS depot at the customer's expense before the cut-off time specified in the Tariff, or
 - (ii) where it is possible for SCS to do so, rearrange a new time in writing for SCS to collect before the cut-off time specified in the Tariff. Provided that it is clearly understood that SCS will make a further charge for any rearranged collection which shall be no less than £80.00
- (g) Where a collection of goods has been booked and they have not been collected because the customer has failed to provide the documentation required for collection or as a result of them being unavailable for collection at the time booked (or within 30 minutes thereof) SCS will charge for abortive carriage of the goods at the rate that would have applied if the goods had been collected and no credit will be given if the goods are carried by SCS subsequently. It will be the customer's responsibility at all times to arrange appropriate booking times for collection and delivery of goods which are booked with SCS with the party dispatching or receiving the goods and with SCS and it is the customer's responsibility to explain to those parties the provisions of the above clauses and particularly the requirement that SCS vehicles must be loaded or unloaded within 30 minutes.
- (h) Any collection or delivery where the shipment weight or volume has not been declared correctly may not be moved on that service, until clarification of the correct weight or volume has been established and agreed, prior to movement.

5. Transit times specified in the Tariff are for guidance only (arrival & departure times may vary due to ferry crossings or bad weather)

6.SCS reserves the right in its absolute discretion to make additional charges for cargo which is:

- (i) hazardous or dangerous; when trucked from Ireland, a surcharge of EUR 95.00 per shipment will apply, and when trucked from the UK, a surcharge of GBP 80.00 per shipment will apply. This includes ferry procedures/paperwork for movement of DGR.
 - (ii) hazardous or dangerous; when trucked within UK, a surcharge of GBP 25.00 per shipment will apply.
 - (iii) temperature control vehicles, where available, operated on dedicated basis only requires 24 hours' notice and will incur a 25% surcharge applied to the truck rate.
 - (iiii) Movement of empty equipment – the movement of empty ULD's, pallet stacks etc. These will either be at the full published (or agreed rate) if moved on a Must Ride basis or charged at 50% of published tariff rate (or 50% of agreed rate) if on a Space Available Only basis.
 - (v) over width/height or length or which presents difficulty in loading or unloading, additional charges may apply
 - (vi) requires special security or other handling arrangements.
 - (vii) requires NCTS/T1 documentation; from Ireland a charge of EUR70.00 per movement and from the UK a charge of GBP60.00 per movement will apply, subject to availability.
 - (viii) dedicated truck load from Ireland will be restricted to 2 deliveries, thereafter any further deliveries will be made at EUR80.00 per delivery
 - (ix) In the event a booking is made and not cancelled 6 hours prior to truck departure, which causes additional truck costs, may be charged to the Customer, notification will be made in writing. A minimum of 50% of the truck charges will be applied
 - (x) Port entry fee to/from Ireland will be charged at £20.00 from UK and EUR 25.00 from Ireland.
-

7.For any Customs (NCTS/T1) documentation that is raised on behalf of the Agent, Carrier or General Sales Agent, and forwarded for discharge at another airport, whether in the UK or Continental Europe, and the destination station fails to discharge. SCS will pass on any fines received to Agent, Carrier or General Sales Agent.

8.Services may be cancelled due to Public Bank Holidays, please check with your local station or trucking office.

9.Import shipments will be delivered into Swissport Cargo Services Cargo facilities unless otherwise stated.

10.Liability for those parties not covered by a Standard Ground Handling Agreement (SGHA) will be in accordance with Road Haulage Association Conditions of Carriage 1998 (Applies to UK only), Irish Road Haulage Association Conditions of Carriage 2008 (Applies to Ireland only)

11.No human remains, or valuable shipments will be accepted for Trucking.

12.All rates exclude Fuel surcharge which is calculated on the average fuel prices over the previous four weeks. A notification is issued on the first calendar day of each month notifying the surcharge applied to following month.

13.All rates are subject to VAT at the current rate in the appropriate Country, if applicable

14.Deliveries to Enhanced Remote Transit Sheds (ERTS) only by prior arrangement and additional charges may apply.

15.Errors and Omissions excepted.
