

PHILIPP MANSER

Chief Financial Officer Swissport International AG

Philipp Manser, Swiss, has been appointed interim Chief Financial Officer and member of the Group Executive Management of Swissport International as of 3 February 2021.

Philipp has 25 years of international experience in finance and global transformation programs with multinational companies. Before joining Swissport, he was an independent consultant advising private equity investors on restructuring, mergers & acquisitions and transformation.

Previously, Philipp served as CFO at several companies, including Unilabs, a leading diagnostics company, Global Blue, the world's leading provider of VAT refund services, and Hotelplan, a travel company and subsidiary of the Swiss retail group Migros Group.
