

NADIA KADDOURI

Chief Strategy & Sustainability Officer
Swissport International AG

Nadia Kaddouri was appointed Chief Strategy & Sustainability Officer of Swissport International AG on January 1st, 2022, reporting directly to the CEO. In her role, Nadia focuses on implementing Swissport's strategic roadmap and leads the company's environmental, social, and governance (ESG) agenda. In addition, she heads the Office of the CEO.

Nadia joined Swissport in 2014 as Senior Integration Manager and was soon appointed Group Business Controller and subsequently SVP Group FP&A.

In 2019, she became CFO of Swissport's EMEA region before stepping into the role of Chief of Staff in 2021.

Prior to Swissport, Nadia managed the sales process of Servisair and was Regional Controller of Eastern Europe at Azelis. She holds an MBA from the Leonardo da Vinci Business School in Paris, France.
